

BlockHurt_GameplayCleanup

```
graph LR; A[BlockHurt_GameplayCleanup] --> B[DelInitActionPayload]; A --> C[GetCharacterGameplayComponent];
```

The diagram illustrates a central node, 'BlockHurt_GameplayCleanup', which is a gray rectangle with a black border. From the right side of this node, two blue arrows point to two separate white rectangular nodes with black borders. The top arrow points to a node labeled 'DelInitActionPayload', and the bottom arrow points to a node labeled 'GetCharacterGameplayComponent'.
