

Game/include/collider.h

```
graph TD; A[Game/include/collider.h] --> B[baseTypes.h]; A --> C[stdlib.h];
```

The diagram illustrates a header file dependency. At the top, a dark gray box contains the text 'Game/include/collider.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a light gray box labeled 'baseTypes.h', and the right arrow points to another light gray box labeled 'stdlib.h'. Both boxes have a thin dark border.

baseTypes.h

stdlib.h
